

**STATE OF MONTANA  
DEPARTMENT OF CORRECTIONS  
JUVENILE PAROLE**

**AMENDED PAROLE CONTRACT FOR  
ELECTRONIC MONITORING**

---

I agree to abide by the following special conditions imposed on me by my Juvenile Parole Officer, given to me in writing and acknowledged by my signature:

- 1) I agree to wear, maintain and care for electronic surveillance equipment that will be utilized to monitor my curfew compliance. This equipment is the property of the State of Montana (or a DOC State of Montana approved vendor) and my acceptance of the use of the wristlet and verifier as a condition of parole confirms my agreement not to open or abuse this equipment. Opening, damaging, loss or theft of either item constitutes a crime punishable by law.
- 2) I understand that any violation of the established weekly schedule constitutes a violation of my parole conditions, with such violations being cause for further actions to be taken, including detention and/or revocation.

I understand that my release is conditional and a privilege and that I may be returned to the correctional facility if I violate the conditions of my Parole Agreement and/or these special conditions. I understand that I am entitled to a hearing on any alleged violations which might result in my being returned to the correctional facility from which I was released.
